

## 2020 High School Club Team Information

### High School Team Outlook

Like every year, Nebraska ONE looks to form teams based around returning players at the 15s - 18s level. New for the 2020 season, every high school player must attend a tryout. As coaches, we believe this will help us better evaluate the girls at their current skill level and correctly place them on teams, not only based on talent, but commitment level, communication and effort.

### To Register:

- Go to <https://sportscrm.net/nebraskaonevb/Registrations>
- Click "View All" under tryouts
- Register for the tryout time slot that you will attend
- If you are new to Nebraska ONE, make sure you register the player as the member and then add your information to the Parent section.

You must register for the date your player will attend. Registration is open until the day of tryouts.

All players, returning or new, **MUST** attend one of the tryouts. If you are unable to attend either date, email [katelynn@nebraskaone.com](mailto:katelynn@nebraskaone.com) to schedule a one-on-one tryout.
