

## High School Club Team Information 2021:

### Our 2020 Outlook for High Schoolers:

Like every year, Nebraska ONE strives to create our teams by giving returning 15s-18s players our highest consideration. New to 2021, every high school player must attend a tryout, as we feel this helps our coaches evaluate the girls at their current skill level and correctly place them on teams based on not only skill, but commitment, communication skills, and effort.

We are following all guidelines put in place by the health department and will continue to adapt accordingly to ensure that the girls have a successful club season. Despite challenges last year, we finished out our club season last summer and are still currently running the NVL in the fall.

### Our team selection timeline for Nebraska ONE is as follows:

You must register for the date your player will be attending.

Registration is OPEN until the day of tryouts, and walk-ins are welcome.

### To Register:
