

## Nebraska ONE High School Club Team Information 2022

Like every year, Nebraska ONE looks to make teams around our returning players at 15s-18s. Every high school player must attend a tryout, we feel as coaches this helps to evaluate the girls at their current skill level and correctly place girls on teams not only based on skill level, but commitment level, communication skills, and effort! We had high school teams qualify for USAV nationals in Las Vegas this past season as well as a 14s team win AAU nationals in Florida and a 14s team win JVA nationals in Chicago. Excited to see what this season brings!

\*We are following all guidelines put in place by the health department and will continue to work so that the girls can have a club season. We were able to finish out club season last season during the summer and are currently running NVL (fall season) still.
